

Vocational & Life Skills Training
for Adults with Disabilities

Diversity, Equity, Inclusion and Non-Discrimination Statement

It is the goal of The Workshop of Davidson, Inc. to provide an environment for all persons served, staff, and other stakeholders in which all services and employment practices are maintained by a set of values that enables this organization to operate in a culturally competent manner that respects diversity, equity, inclusion and non-discrimination. The Workshop of Davidson is committed to providing quality services that support and promote access to services within culturally diverse and multilingual communities.

It is the Policy, Mission, Purpose, and Plan of The Workshop of Davidson, Inc. to provide services and make all employment and other human resource decisions without regard to culture, national origin, language, gender (including pregnancy), race, color, religion/spiritual beliefs, ethnic background, genetic information, disability, age, veteran status, sexual orientation, financial/socio-economic status, marital status, or others factors as relevant for all persons served, personnel, and other stake holders.

Equal opportunities, inclusion, and non-discrimination practices apply to all aspects of employment/staff privileging and service provision's to include but not limited to: hiring, promotion, job assignments, training, transfers, wage/salary/benefit determinations, terminations, participation in services/activities, and applications of company policies and procedures.
